STUDY AT THE UNIVERSITY OF HRADEC KRÁLOVÉ

DID YOU KNOW THAT...!?

...your university has an agreement with the University of Hradec Králové?

Yes our university is cooperating with yours so in fact it is really easy for you to study in the Czech Republic. Just visit your international office to fill in your application!

...the Czech Republic is rated as one of the safest countries in the world?

it's true the Czech Republic is placed in the top 10 safest countries in the world every year. Just try and google it yourself!

...the Czech Republic is an excelent starting point for further travels?

Due to its location in the middle of Europe, the Czech Republic is a great spot from where you can make it to Germany, Poland, Slovakia, Austria, Hungary and many other countries just in a few hours!

...the University of Hradec Králové has a huge international community?

We have many partner universities abroad, not just in Europe but also in Latin America, Africa and Asia so there are around 1000 foreign students studying at our university each year!

...there are many places worth to see around Hradec Králové itself?

Hradec Králové is surrounded by beautiful nature full of lakes and woods. There are also many historical sites such as castles, palaces and many many more just around the corner!

...Hradec Králové is a very cheap city to live in?

Although Hradec Králové is not the capital, it can provide you with the same services but in the same time its much cheaper! In average Prague can be up to 20% more expensive than Hradec Králové. So it is not a problem to keep your expenses around 300 euros per month!

...there are many foreign teachers visting UHK?

We have close relations with many universities all around the world so in order to get a wide range of courses for our students we have a lot of foreign teachers visiting us every semester!

...Hradec Králové is really close to Prague?

You heard how wonderfull Prague is and you want to see it? No problem! It's just a 1,5 hour train ride from Hradec Králové, so you can travel there anytime you want. Plus you can use a huge student discount for transport provided by the state!

...our university provides accommodation for its students?

Yes it is true. Our university is providing foreigners with a place at our dormitory, because we understand how hard it might be to find place to stay in foreign country. It is pretty affordable as well, the rent is around 125 euros per month.
